PERSONAL NARRATIVE

Tips for Organizing and Planning

- What is the main point of your personal narrative?
- Write an outline that lists the main events and ideas you plan to cover.
- Eliminate events and ideas that do not relate to your main point.
- Draw a timeline for the events. Where does each event in your narrative happen?
- Pay close attention to the cause-and-effect relationships in your narrative.
- Use cause-and-effect to organize the sequence of events in your story.
